hi guys its wolfie and i just want to explain stuff bye da way u ash fur in dish

y/p means your pelt and y/e means your eye color also i picked a name for u its cinder so i dont have to put y/n y/n y/n all the time

ok lets begin

you were rattling around in the metal box the twolegs put you in and you jolted up and then the monster you were in stopped and light shined in your eyes almost blinding you. the twolegs picked you up and dropped the box and opened up the door to it after you walked out the twolegs shouted at you, this frightened you so you ran as fast as posable. You dident realise you were hungery until you saw some twoleg food on the ground, so you walked up to it and started to eat it was better then you thought it was and you heard a yell and then you saw him the most hansome cat you have ever seen "i thought i made it clear to you kittypets you cant eat my fo- " he stoped" oh your not one of the kittypets" "huh?" you said "whats a kittypet?" "oh dont worry about that you, can finish that if you want ." "umm ok" you said puzzled . after you ate the two leg food he called you over . "so im scourge whats your name ?"

geting started

Im Cinder you said sheepishly. Well Cinder welcome to blood clan territory he mewed. Scourge! Scourge! A white cat with black paches darted in to the ally . Scourge the rouges are attacking . Scourges calm exprssion changed to the angry look he gave you when he thought you where a kittypet . He looked at you and said do you know how to fight .

hi guys sorry this chapter is so short im probably updating right now so dont give me that update the story crap

the fight

You scourge and the other cat you just met raced through the ally. You could already hear cats hissing and yowling . You and the guys darted around a corner and saw cats bleeding and clawing at each other . Help the cats with spike collers like mine and Bones you were gessing that was the other cats name. You saw a orange tabby struggling under a large black cat . You leaped at the black cat freeing the tabby. The cat clawed your ear . Leaving a nick you growled and bit his shoulder he yowled in pain. You unsheathed your claws and dug them in to his flesh. He maneged to struggle free and ran off and yowled retreat . All the other cats ran from whear they were battling and ran away. He was last to leave he gave you a death stare and ran. Scourge Bone and the cat you saved walked up to you. your a good fighter meowed Bone. Thank you for saving me mewed the tabby im Comit . you know mewed Scourge.
bone is right your a good fighter how would you like to join blood clan?

part of a clan

Of corse ill join blood clan you purred. Cool meowed Comit. Lets go tell evry one Scourge mewed.

a/n

so guys i kinda want to explaine this a bit more so in this story scourge believes in star clan and currently has 8 lives and he fallows the warrior code and stuff but its not exactly like the warrior code in the book. so yea thats really all i got to say so bye for now. =3

meeting the clan

you jumped down from the dumpster and scourge did the same . follow me he mewed i want to show you around . ok you meowed back .you and scourge walked up to a large blue box this is whear queens stay with there kits . a fluffy white she cat with a little kit that looked a lot like bone curled up on her back looked up as you and scourge walked up to you. thats ice bones mate scourge mewed i im cinder you meowed to ice . hi she mewed back this is maddie shes sleeping right now tho . ok you mewed softly bye scourge wispered. and then you and scourge padded away you and scourge padded up to a bunch of boxes this is where warriors sleep and just as he said that a black and white tom steped out of one of the boxes. hi scourge he half mewed half yawned oh and hello miss im gizmo he meowed . im cinder you said ok cinder is scourge giving you a tour ? yup you replied . ok then he meowed ill be on my way . he padded over to comit and shared some toleg food. he seems nice you said to scourge . no one is nicer than gizmo he mewed back he is are medacin cat med cat for short. whats that you asked . its a cat that heals others he reaplied . oh ok you mewed. ok so do you want to meet the rest of the clan cinder? he asked . sure you said . you and scourge paded up to 1 she cat and 2 toms . hi guys scourge mewed this is cinder the new cat hi mewed a red tom im trout im frost tail meowed the grey she cat . and im there son smash mewed the second tom hi you meowed . its getting late mewed trout im gonna go to bed me to mewed frost tail gess i better hit the hey to meowed smash . they all padded to there boxes and went to sleep you gussed . hey cinder come check this out be for you go to bed he said as he leaped on to dark green vines that were growing on a to leg bilding you followed him and you both climed to the top. ok cinder now close your eyes ill guid you to where to stand. ok you mewed you closed your eyes and you felt his warm pelt brush agenst yours he walked fowerd and you did the same . now open your eyes he mewed softly you did what he told you . and look up he said you looked up to see thousands of stars shining in the dark purple sky . looked at scourge his eyes sparkled in the light of the moon . and he touched his mussel to yours .

he's back

cinder! cinder! wake up mewed scourge the camp is under attack you woke up with a jolt . come on mewed scourge . im coming you meowed . you heard what sounded like smash yolwing in pain . it was that black cat agian you leaped at him but he kicked you hard with his back leg claws unsheathed . you yowled in pain scourge herd your cry and leaped at the cat. he dug his claws in to the black cats eye. the black cat yowled in pain scourge scrached the black cats back he let go of his eye. and clawed his mussel. the black cat throu him off . you will reagret doing that to the mighty and powerful dagon scourge . and then he bite scourges throught and . then scourge whent limp in his grasp

7 lives

come on lets go yowled dragon we have done what we have needed to

scourge ! you yowled in horror . tears filled your eyes i never got the chance ... to say i love you . you wisperd . and then to your suprize he replide i love you to cinder . you were shocked to see he was alive . but how you wisperd. im leader of blood clan when cats be come leaders they receive 9 lives i have 7 more now . oh thank god your ok . here ill help you to the med cat .he maneged to get up and lean on your shoulder.~~~

feeling better

it was two days after scourge lost one of his lives and he was aleady feeling better. scourge im not trying to kick you out or anything but you cat go back to your den if you want. meowed gizmo. ok mewed scourge come on cinder. ok you reaplide. as you where walking you asked if dragon new that scourge had reaceved 9 lives. scourge reaplide with a simple no.

gathering

scourge was on top of the dumpster he had just called a clan meeding . ok every one you all know tonights the gathering. he mewed.im picking who i want to come . he said well looking at you. here are the cats that are coming smash, trout, frost tail, cinder, bone, rat bite, dizzy, adder venom and gizmo. he mewed. come on every one lets go he leaped of the dumpster and padded up to you .there are gonna be alot of cats there cinder meowed scourge. i know .you mewed. ok lets go he said cherfully. you and scourge and the rest of the warriors raced across the thunder path and to the four trees. when you arived all for clans that scourge told you about were there . ok cinder you find a spot to sit i will be on the great rock. you sat in front of the croud. you sat next to a grey tabby . hi you mewed im cinder. im grey stripe he said. what clan are you in you meowed . im in thunder clan how about you . im blood clan you said . cool he mewed . all of the suden there was a loud yowel you gussed it was starting a orange tabby stepped fowerd whose that you ask grey stripe. thats fire star my leader. cool you mewed. hello clans of the 5 terretoiries thunder clan is thriving and a new litter of kits was born toadkit, leapingkit and redkit . the clans yowled the names of the kits. fire star steped back and a white cat with jet black paws steped fowerd thats black star .mewed grey stripe. you nodded. shadow clan has sented wind clan on are terratiorie and just so you know this will not be tolaratad if we cach you on are terratoiry well then your med cats is gonna have a lot of work on his or her paws. growels of protest came from what you thougt was wind clan. black star steped back. and a cat with a very long tail steped foward .thats tall star mewed gray stripe. i can see why they call him that you mewed. wind clan has not been on shadow clan terariory . and we have a new warrior his name is dark feather . the clans yowled dark feather. tail star steped back and a spoted cat took his place. thats leopord star . mewed your grey friend. river clan has pleanty of prey we saw a few twolegs but they were no problem . she steped back and scourge steped foward blood clan is doing great we have a new cat her name is cinder all the clans yowled your name you fealt full of

pride. we have also been attacked by a band of rouges twice . and the second time i lost my second life.the clans (exeped for blood clan) gasped in shock.and good bye to all of the clans . scourge and the rest of the leaders jumped of of high rock come on cinder lets go home he mewed.

apprentace

warriors of blood clan scourge yowled we are aponting an aprentice to day. maddie raced out of the nurcery and leaped on top of the dumpster well some one excited mewed ice as she padded up to you . yea your kit seems really happy. maddie's mentor will be cinder mewed scourge . me! you mewed suprized. congrats mewed ice. maddie leaped off the dumpster and sat next to you . i asked scourge if you would be my mentor .she mewed . you noded and smiled come on ill show you the tratorioy. cool! mewed maddy

~~~~~~~~~~~~~~~~~~~~~~~~~~~T~I~M~E~~~S~K~I~P~~~

wow the teratory is big .mewed maddie .yup. you reaplide . how about i teach you to fight. you meowed. yea! she mewed happily. claws sheathed you mewed unless your in a real fight . kay she said. ~~~~~~~~~~~~~~~~~~~~~~~~~time skip~~~~~~~~~~~~~~~~~~~

hey guys its wolfie i just wanted to let you know im doing a ask scourge so like mabey you guys could check it out

hunting the blood clan way

come on maddie we need to get there today! you mewed impatiently. im coming cinder im just so tired. she mewed. well mabey you shouldent of stayed up late .you meowed. where almost there. you mewed. you and maddie padded over to a twoleg bilding . we need to restock the food pile. you mewed we cant only get one each thats not enough for the whole clan. you mewed. what do we do? um we carry some on are backs? she mewed. no you mewed how will we cross the thunder path we need to run and they will fall off. you mewed . hold one box under your chin like this. you picked one box up and put another box under your chin. maddie did the same. dont we look kinda funny now? she mewed . yea we kinda do but whould you rather have food and look kinda funny or have no food at all .you mewed. i would rather have food she mewed . where geting close to the thunder path. you mewed. when i say go run. you mewed. ok she mewed. you saw a gap bewen monsters . go you yowled! you and maddie raced across the thunder path . come on lets go put this food away. you and maddie padded to the small food pile and placed the food you got on the pile.

maddie meets dog

you and maddie where going to the training place beacuse you wanted to teach her a new battle move. hold on you mewed. she stoped and looked at you what she meowed. just like the problem its self was answering a dog leaped out from beahinde i corner . and if you had not pushed her away . he whould have leaped on top of maddie. stay behinde me you yowled. maddie was to scared to say any thing . but you knew she was gowing to lisen . you leaped at the dog and clawed one of his eyes he yelped but did not give up the hunt for his prey. he snaped at you almos biting your tail off. maddie go back to camp you yowled you raced away from the derection you told maddie to go and the dog followed you . you felt his hot breath on your fur . once you got far away from camp you spun around and scrached his mussel. not giving him the chance to react by jumping at his face with your back paws first.knocking one of his teeth out. he wimperd in pain and ran away . you picked up one of the teeth and put it in your collar sharp end first.

~~~~~~~~~~~~~~~~~~~~times skip brougt to you by cheese waffles~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

the dog just leaped out at you and maddie !?! scourge mewed. yea i also got a new tooth you mewed. thats awsome scourge mewed. but are you ok? yea im fine you meowed. he scrached my tail but im fine. you mewed. are you sure your ok he meowed. yes scourge im fine you mewed. im gonna go get us some food you meowed to scourge

dizzy's POV

my plan to kill cinder failed but i will kill her and her pathetic mate too

hey guys its me wolfie again and i told you dizzy is evil her leurd the dog to you and you almost died!!!! and you herd what he
~~~~~~~~~~~~~~~~~~~~

said!!!!

day as dizzy

dizzys pov

i sat in my den thinking how i should kill scourge and cinder when it hit me should get cinder alone and kill her and bring her back saying the dog came back and killed her. and then i will bring rat bite and adder venom to kill scourge >:3

chaper somthing

you were being chaced by the same dog that had attaked you and maddy but he had got ten times faster and he leaped at you pining you to the grownd and you woke up you were back in scourges den he was breathing softly you got up to go on a walk when you dizzy walked up to you. hey cinder you wanna go get some food the pile is runing low you glanced over to the food pile he was right . you and dizzy were pading throu the ally and you crosed the thunder path you bent down to pick up some food and dizzy leaped at you claws unsheathed . you yowled in pain as he clawed at your back you flung him off . dizzy what are you doing you yowled . im taking whats mine he spat. he leaped at you again but you were ready this time and clawed his belly he hissed in pain (i feel like im puting to many yowls in this XD) i will destroy you he mewed and clawed your ear leaving a nick he ran off out of your sight.

after math

owch you hissed as gizmo applied juice from some wierd berry on your wounds sorry he mewed scourge was pissed that dizzy attaked you he sent a partol of cats to hunt him down . scourge! scourge! rip stone blood clans newist warrior shouted im in here scourge mewed. we found dizzys collar. he mewed as he padded in to the med den. the red tabby placed the black and blue studded peace of leather on the floor. bring it to my den scourge meowed. rip stone picked up the collar and padded out of the med den ok your all done mewed gizmo. you noded to the black and wight cat and padded out of the med den with scourge. i still cant beleave that gizmo would do such a thing he growled. yea you mewed. maddy padded up to you hey cinder she mewed when are we gonna be abil to trian ? i dont know maby tomorrow you mewed. ok she mewed and padded of to go talk to her friend and the newist apprentace tuxedo you sighed its been a few moons scourge maby its she sould become a warrior soon you mewed your right cinder he mewed how about the day after tomorrow? your the leader you dicide you mewed . he chuckled ok then. you and scourge padded in to his den to rest

hey guys its wolfie again thx for reading and stuff i never thought this would go over like five views but suprisinly all the views together are like over 200 and this is really cool cuz i suck at writing and im not the smartest person my friends storys are mutch better than mine and stuff and this story is atualy doing pritty good and stuff im gonna try to update evry day and stuff sorry if i dont and yea thx for reading u guys light up my day :)

dizzy's return

you where teaching maddy how to do a battle move when you heard a loud crash what was that?!? maddy mewed i dont know you reaplide softly. you padded over to where you herd the sound come from and saw a pale yellow tabby . dizzy you growled . ha ha hi cinder hows the clan and that dumb aprentice of yours. maddy growled in anger. shes not dumb you hissed. and leaped at him he quickly dodged your attak and pinned you to the grownd. maddy leaped at dizzy catching him off gaurd . he yowled in suprize maddy clawed his snout leaving a nasty gash. help Dizzy yowled. and rat bite and adder venom sprinted around the corner. oh thank god your hear you mewed adder venom snickerd . and leaped at you . you gasped in shock. you tryed to get out of his grasp . but black cat was too strong. rat bite helped dizzy by attaking maddy who yowled in pain as the brown and wight cat leaped at her with claws unsheathed. adder venoms jaws parted and clasped around your throught

hero

just before adder venom could steal your life a black blur crashed into him when you got up you saw scourge ontop of adder venom. and bone ontop of rat bite both toms were ingulfed with rage u realised dizzy was no wher to be seen

~~~~~~~~~~~~~time skip brought to you by wonderweasley9~~~~~~~~~~~~~~~~~~~

you bone maddy and scourge just got back to camp ceeping a close eye on rat bight and adder venom smash rip stone you guys will gaurd rat bites prison den tonight black cloud zipper you will be gaurding adder venoms den scourge mewed.but first scourge leaped ontop of the dumpster all cats over six moons gather . he mewed maddy come up her . maddys eyes widend with exitment. you felt like you were going to berst with pride. maddy to day we have gatherd to make you a warrior . cinder do you think it is the right time to make maddy a warrior? he mwed i do you meowed . and maddy do you promes to up hold the warrior code and to protect your clan from any harm that may come? he qusteiond i do she answered than from this moment on you are a full warrior of blood clan he put his nose on her head and she licked his shoulder. he put a black collar with one dog tooth on it around her neck. she leaped off of the dumpster and evry one cheered her name bone's voice ebouve all of the rest.

chaper 25 (running out of chaper names)

you and scourge where sitting in the nursury when you herd cats yowling. scourge was about to run out of the nursury to help when dragon stoped him . what are you doing here scourge growled. oh you know i thought i would come viset the kits. he mewed mockingly. you wraped your tail around your kits bear and blitz who where shivering in fear but anna looked mad at dragon. her fur fluffed up. and she growled. oh it looks like one of your bratty kits are fisty. he meowed. why you little. scourge growled. and leaped. at him claws unsheathed. bear clawed. scourges mussle leaving a gash and trough him off. scourge fell back and slamed his head ageinst a trash can passing out. dragion started walking over to you and your kits. you hissed and spat at him wraping your tail tigher around your kits. just as he was about to attack you and your kits a black and whight blur smashed into dragion at first you thought it was bone but then you relisised the cat was to small to be bone maddy ! anna yowled. maddy snarerled at dragon whose eyes were lit by fear. she clawed dragon in the face and he looked at you. she clawed the same spot going deeper witch made him yowl in fear and pain. look at me not them she growled. dragon slowly looked at maddy trying not to provoke the furious she cat you go any where near those kits again i will personly rip your pelt of she growled. he nodded and trough her off and pelted away yowling retreat to his cats maddy padded over to scourge who woke up to seeing the black and whight she cat saving his familys lives. thank you maddy he mewed. she diped her head to the black tom. and helped him get up . you guys ok she mewed to you yea were fine you mewed. anna broke free of your grasp and raced up to maddy that was so cool! the little she cat mewed. maddy smiled at anna. blitz and bear padded up more slowly thank you maddy the mewed. well its my job to protect you guys. any cat would have done the same she mewed. but it was you who did it. scourge mewed. scourge diped his head to the young she cat. thank you for saving my family. y-your welcome she studderd. come here guys you

mewed to your kits . blitz and bear came willingly anna steyed came mor slowly bye maddy! she mewed and padded in to the den

please read

hey guys its wolfie with another a/n im thinking of making a story about anna, blitz and bear what do you guys think i might just do it any way but i just wanna know if you guys would think thats cool thats really it for know see you on the flip side (I cant beleave i just said that)

waiting game

hey mom when are why gonna be aprentices? anna mewed you have 4 more moons you meowed. aww but i wanna be a aprentice now mewed blitz. you guys heard mom we gotta wait bear mewed. bear was proving to be the responsible one. ice moved back into the nursery she was expecting bone's kits was at her side. he seemed paranoide. h-how you f-fe-feeling ice he mewed shakily im fine mewed ice im more worried about you she mewed sarcasticly.heh heh no need to worry about me he mewed. whoa dad are you ok maddy mewed as she padded in. im fine bone mewed well smiling nervisly. you sure ? maddy mumbled. bone nodded. how about you mom maddy mewed. im fine she mewed. scourge padded in hey cinder how you doing . good you mewed. dad! anna mewed. and ran up to her father. followed by blitz and bear. hey dad did you see that mean pale cat you were talking about mewed blitz . no not yet scourge mewed. he licked blitz head. im gonna go send another patrol for dizzy scourge mewed well looking up at you will find him even if it means war against who ever he sided with
